Here is an updated version of the $domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you.
Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

**Jihad The Trail Of Political**

Jihad is the first extensive, in-depth attempt to follow the history and geography of this disturbing political-religious phenomenon. Fluent in Arabic, Gilles Kepel has traveled throughout the Muslim world gathering documents, interviews, and archival materials inaccessible to most scholars, in order to give us a comprehensive understanding of the scope of Islamist movements, their past, and their present.

**Jihad — Gilles Kepel | Harvard University Press**

In Arabic, jihad means “effort.” Jihad of the soul means making a personal effort to be a better Muslim, to overcome vices and make progress in virtue. But there are public or communal types as well. One (al-jihad almubadahah) aims at the armed conquest of new lands for Islam. It is mainly the business of the Islamic ruler and his troops.

One way to become a Famous Intellectual in France is to take a nonsensical thesis and be the first to write a whole book advancing it. By this standard, Kepel excels, for he adopts the preposterous idea that militant Islam is in decline and manages to fill 376 pages of text with examples and arguments that credibly support this idea.
Their jihad - or 'Holy Struggle' - aimed to establish a global Islamic state based solely on a strict interpretation of the Qur'an. 'Jihad' is the first comprehensive attempt to follow the history and spread of this new political-religious phenomenon today, from the rise of Al Qaeda to the explosion of support for Hamas, Hezbollah and Islamic Jihad in the wake of the Second Palestinian Intifada.

The subtitle (The Trail of Political Islam) is a good description of the book's contents, as it doesn't deal with Jihad per se, but it's causes. In it's pages Professor Kepel describes the recent cultural, historical and political circumstances which occasioned the rise of Militant Islam in different geographical areas across the globe.
