"To most of the general public, language comes down less to wonder than a rather censorious bifurcated sentiment – namely, that the vast majority of the world's humans either speak and something primitive or speak something badly." - Robert Lane Greene, You Are What You Speak: Grammar Grouches, Language Laws, and the Politics of Identity
Speaking is the first step for any English learner. So if you are a novice at English, please focus on your speaking and listening skills prior to studying grammar. After being able to speak English fluently, you will realize how much easier grammar is. But it does not work the other way around.

Rules of English Grammar pertaining to English Speaking
